# Inox Cabinets

4 SIGHTS GLASS

Single & double door 4 sights

The vertical four-sided refrigerated display case is a must for pastry and ice cream shops and praline professionals. It combines product display and maintenance with hygiene and maximum functionality. Built to improve the 360-degree visibility of the displayed food and takes full advantage of the interior space freed from any obstructions to guarantee maximum capacity.

We manufacture 3 models:

- Showcases with a height of 1900mm (quick cooling or static)
- Showcases with a height of 2100mm (quick cooling)
- Showcases with a height of 1500mm (quick cooling)

They are produced with the new refrigerant gas R290. The powerful cooling system and the perfect distribution of the cold as well as the extremely fast temperature recovery after opening ensure that your products are perfectly preserved in taste and appearance

## Available Colors

White  Black  Inox Mirror  Silver

### CHARACTERISTICS

1. Double-chamber heated glass on each side and anti-fog glass system eliminates moisture in the door after opening, giving your products the visibility they need.
2. Each showcase has 5 adjustable shelves on each door with a newly designed fixing system.
3. The lighting integrated into the body of the showcase with 4 LED lights
4. Built-in handle on the entire side of the door and automatic closing with audible reminder in case of accidental opening. It has been designed to meet the needs of professionals

### ADVANTAGES

- Excellent maintenance
- Maximum visibility of the products displayed
- Large screen capacity
- Easy maintenance
- Energy saving
